

Sir Knights,

As Royal Arch Masons, we are builders of temples. During our Journey East, we build the Temple within our own Soul. BELIEVE that you have the Spark of Christ within your Temple. BELIEVE that he has come to this world for you, for me, for all, to wash away our sins so that one day we may be surrounded by the loving arms of our Savior.

I wish all My fellow Knights Templar and your families a happy, holy, blessed and joyous Christmas. BELIEVE in the *happiness* that being with loved ones during this wonderful time of the year brings. BELIEVE in the *Holiness* in the birth of our Savior. BELIEVE in the *Blessedness* that comes from the Love that the CHRIST proclaimed. BELIEVE in the *Joy* of this season with friends and family.

May you all have a very Merry Christmas and prosperous New Year. BELIEVE!
