April 7, 2021

In accordance with the edict and guidelines most recently sent out by the Grand Master on April 5, 2021, The Grand Chapter of Georgia is in complete and total support of that edict and those guidelines. Keep in mind that should the COVID-19 virus return in force and if the Grand Master has to reinstate restrictions, we the Grand Chapter of Georgia will govern ourselves accordingly.

We are excited about the opportunity to resume our normal operations and to commence with degree work once again. With that being said, all restrictions are effectively removed as of April 8, 2021 until further notice.

The decision to meet is up to the Excellent High Priest of each subordinate Chapter within the jurisdiction of the Grand Chapter Royal Arch Masons of Georgia. If a companion is concerned about their safety or the safety of others, and they feel compelled to wear a mask and/or social distance, then we encourage them to do so.

I am looking forward to reversing the downward trend that we had during the pandemic and look to the future of the Grand Chapter of Georgia.

Michael H. Sampsell
Most Excellent Grand High Priest

Attest:

Mark A. Bradley
Grand Secretary
